

test print 001

i'm the worst
y'all better than i am
chicken
chicken
chicken
chicken
do they like me?
they like me not
(do we really have to ask?)
i'm a random clause generator
can't you tell?
i don't feel blue,
i feel cyan.
are brighter days coming?
i hope so.

you're my cup of tea.

if only you knew.
